Beijing, China – September 15, 2006 – LEHMAN, LEE & XU had been invited to receive an Award of Recognition in their contributions to the *[DOING BUSINESS 2007: how to reform](#)*. The said award was jointly presented by The World Bank and International Finance Corporation (IFC) to our firm's representative, Senior Attorney Ms. Sandy Lin yesterday.

The report from the World Bank and IFC compares indicators on business regulations and their enforcement across 175 countries, from Afghanistan to Zimbabwe. Top reformers are identified and best practices in how to reform are highlighted.
